# Baseball

Clutch hitting, good defense and good pitching enabled the 1982 Varsity Baseball squad to hold a 9-1 lead during the early part of the season. During the latter half, however, the boys' defense broke on occasion and their pitching slacked off, leaving the hurlers with a 14-12-2 record. Senior **Brian Meier** received numerous honors for his pitching performance. Meier was named to the OCC First Team, First Team Central, District, All Ohio Player, and OCC Player of the Year. Seniors **Gary Bastin** and **Brian Meier** were named Most Valuable Players for the Jacket squad, while Senior **Mike Bailey** was titled Most Improved. Seniors **Randy Warner** and **Gary Bastin** were also members of the OCC First Team. Coach Gray, pleased with his team's progress, commented "We showed a great deal of improvement in our execution and individual performances."

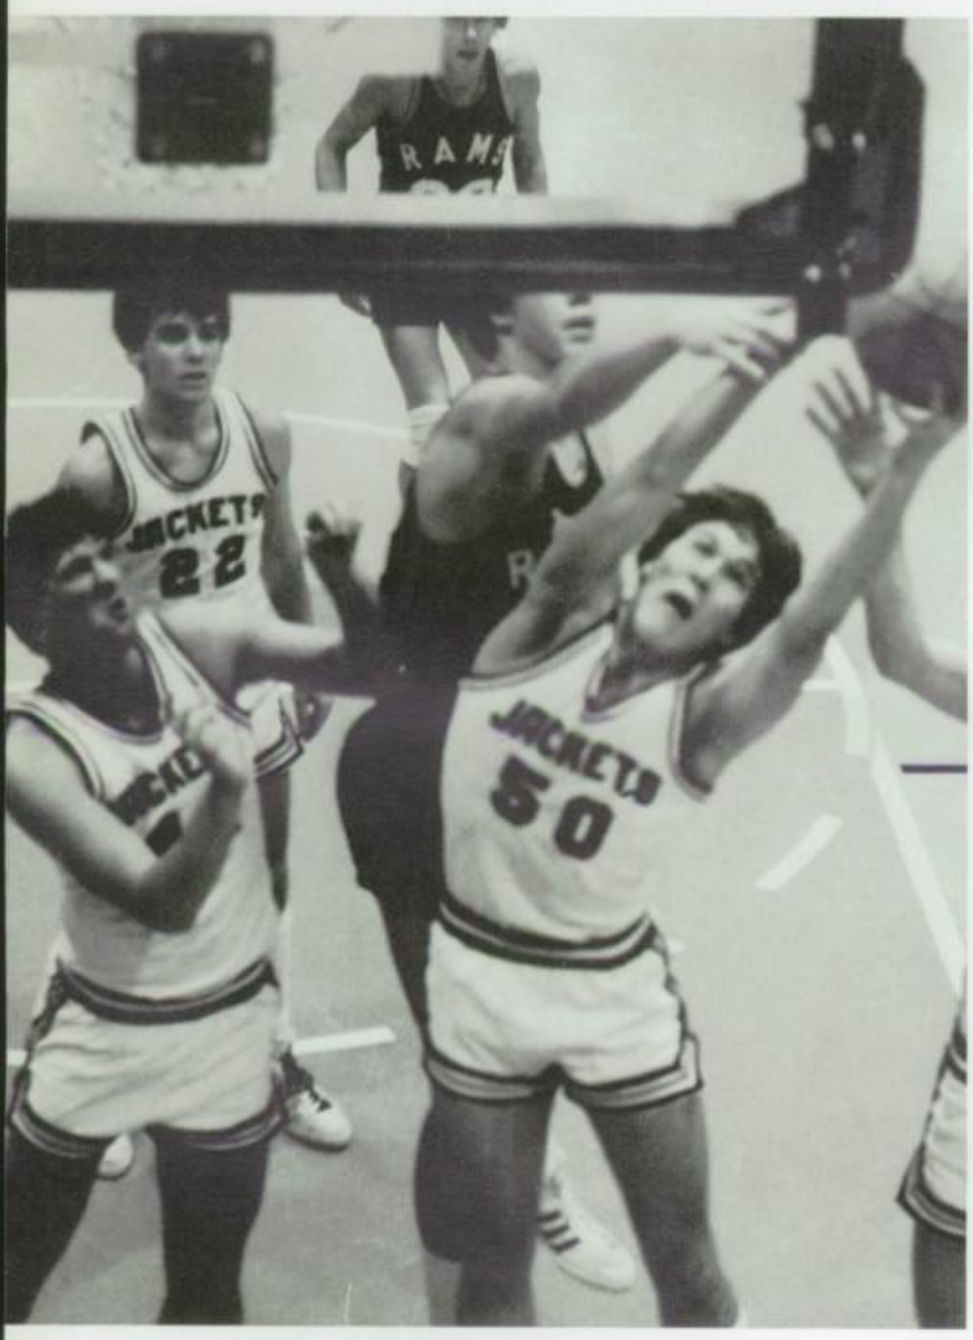
The 1982 Girls' Softball Team swung their way to a winning 13-11 record. The team in its second year at MVHS, won their sectional tournament and advanced as far as the District Finals where they were defeated by the No. 1 seeded team — Northland. Junior **Jane Rezos** was named Most Valuable Player, while Sophomore **Tracey Tier** received the Most Improved Player award. Although the team utilized good offensive skills the girls needed to reduce their number of errors. Coach Lynn Apple said, "The girls have a lot of softball experience because they play in the summer softball league. They just needed to work on the skills that are different between fast pitch and slow pitch. We have a young team — no Seniors, six Juniors, nine Sophomores, and three Freshmen. We should do very well in the coming years if I can keep these girls together and we can develop as a team," added Coach Apple.

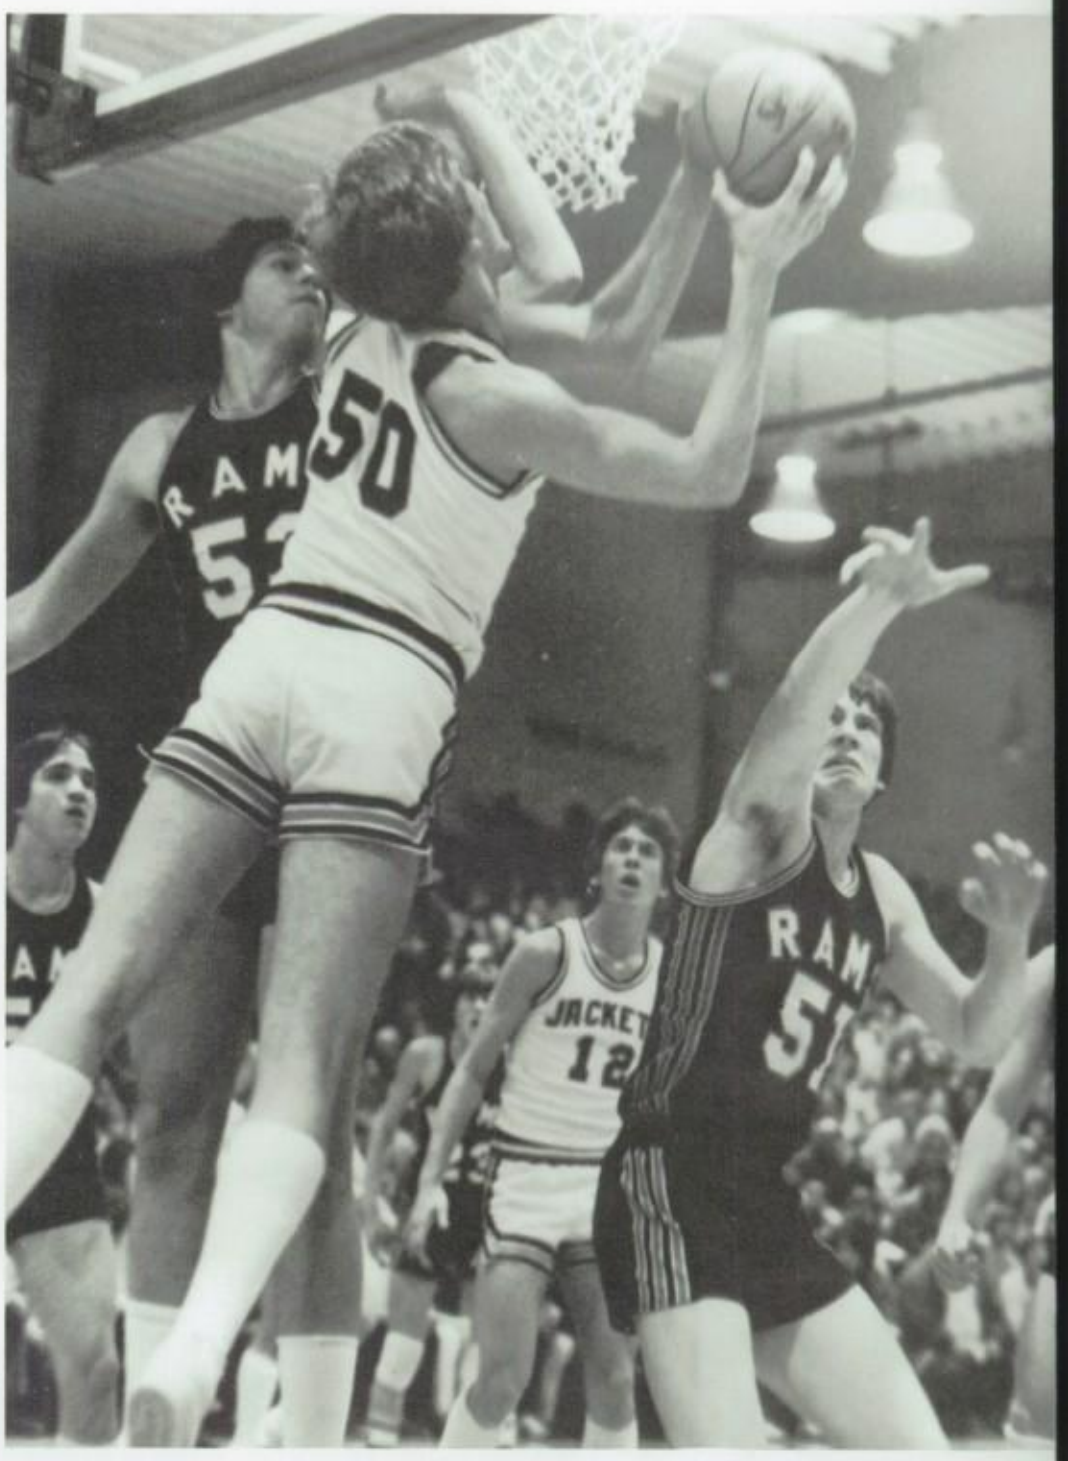
# BASKETBALL TEAM HAS BEST SEASON

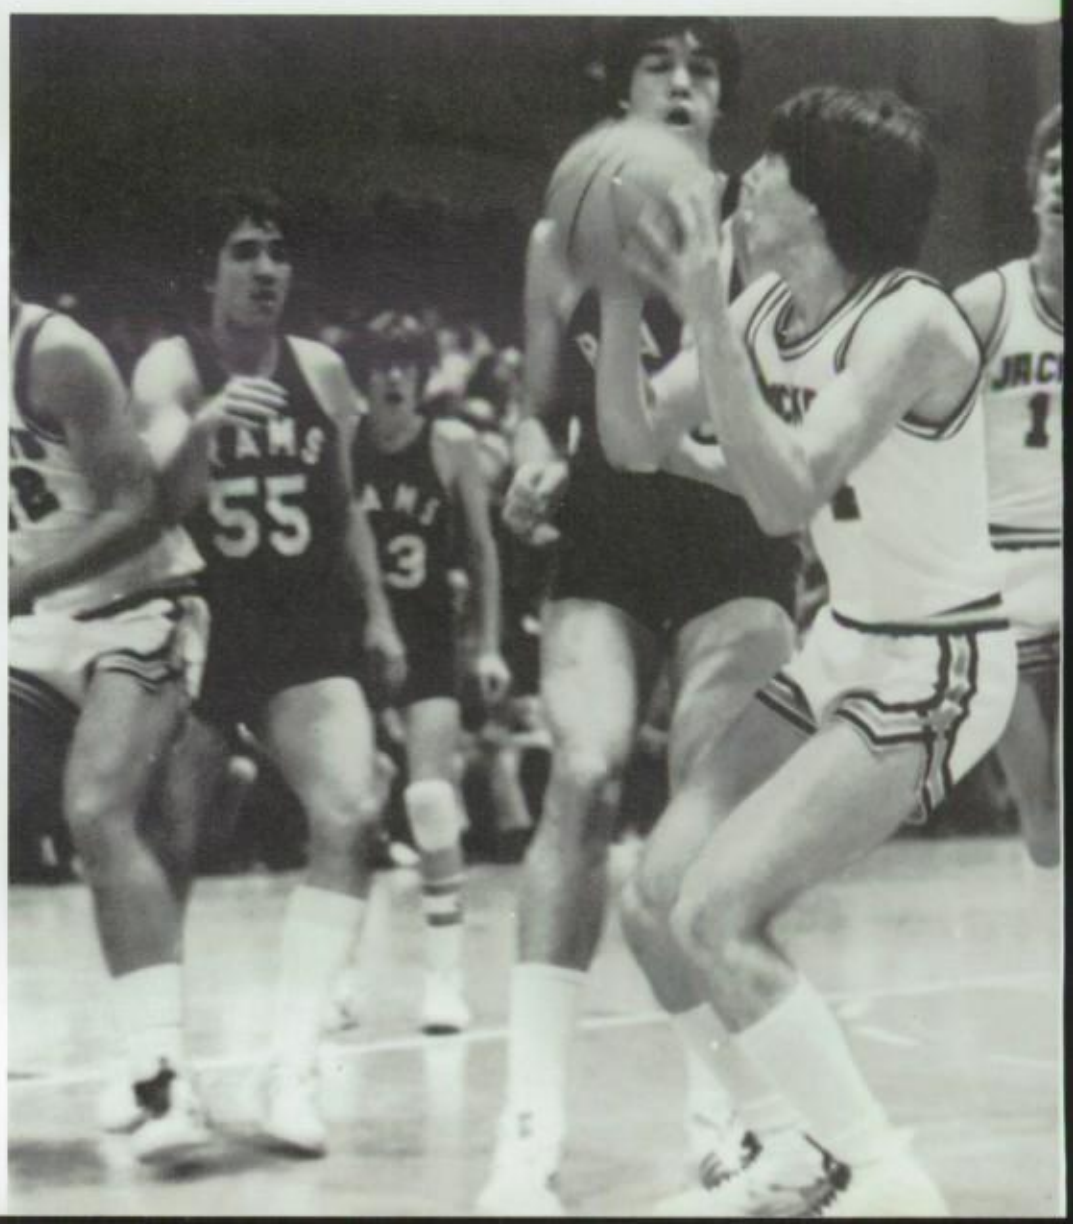
The Yellow Jacket varsity basketball team broke a school record for the best seson in school history. The Jacket's outstanding 18-4 season was highlighted by victories over state ranked Whitehall and Mansfield Malabar.

The team won its first tournament game since 1974 beating Columbus West. The Jackets ended its season with an upsetting loss to Grove City, 40-41.

This was Coach Dave Moore's first year as head coach after numerous years of being assistant coach to Keith Merrin.







Relations between player and coach seemed to be very close. As one player put it, "Oh yeah, he was just like a father to us."

# "Life is Just a Fantasy"

"I've been to 20 out of the last 21 proms and this was the best," said English teacher **Don Bower.**

The 1982 Senior Prom, "Life is just a Fantasy" was a success. Some 160 couples attended the prom at Gund Commons on the Kenyon College campus. The couples danced to the music of A.T.R., a band from Columbus. Each couple received two 5 x 7 and eight wallet sized photos paid for by the Senior class.

This year a prom king, queen, and court were chosen by picking couples names out of a box. The king was **Doug Johnson,** queen **Pam Nichols,** and the court members were **Tim Barnes** and **Sharon Rowley, Tom Noonen** and **Andrea Burris,** and **Brian Smith** and **Mary Donaldson.**

# DANCES ATTRACT LARGE CROWDS

On most Friday nights, the sound in the High School cafeteria reverberated the walls. With Jim Bonnette at the wheel of the music, the cafeteria filled quickly. The price, usually a dollar and fifty cents, allowed the students to dance between nine and midnight. This activity, sponsored by various groups such as the National Honor Society, Latin Club, Drill Team, and each of the four classes at MVHS, raised about $400 per dance. The dances, or sock-hops, were often held after football or basketball games. During the 1981-82 school year, the lively success of the dances was threatened by careless actions such as vandalism and drinking. But thanks to the trusting administration, the dances were given a second chance. Principal George Perry said that a new policy had been enacted, using more security and an increased number of chaperones. "I think it's wonderful!" said Perry. "The attendance is high and people have a good attitude toward the dances." This past year, with these new rules by which people were abiding, the dances were a popular place to be on Friday nights.

# Spirit Week and Homecoming

The Cheerleaders got spirit week started this fall with the first pep rally of the year on October 23. This pep rally was held to promote spirit for the Homecoming Game. Since it was also Orange and Black Day, many people dressed in these colors to show their spirit. The pep rally theme, "Support Your Team," was demonstrated literally by the Girls' Varsity Volleyball and Tennis teams, and the Girl Rowleaders in the Marching Band, as they physically passed some football players down a line. During the assembly, Paula Spicer announced that the sophomores had won the Hall Decorating Contest, while the Juniors stuck closest to the theme, which was the theme from the movie "Arthur" — "The Best That You Can Do!" In the Spirit Contest, the overpowering Seniors won the Spirit Stick. All of the high energy and support paid off later in the day, when the Yellow Jackets won the Homecoming Game.

# Clubs Enrich Student Life at MVSH

An important aspect of student life at Mount Vernon High are the activities and field trips of the various clubs and organizations. Of course the athletic teams travel, but opportunities exist for all students. Members of the Latin club visited Rome and Greece during Enrichment week; the ski club went skiing in Holiday Valley, New York in February; the Spanish club visited rest homes in Knox county for Christmas caroling; the French club often had food at its after school meetings including quish at one meeting.

# Enrichment Week

The 1982 Enrichment Week offered many courses and trips for students. They traveled to such far-off places as Italy, Europe, Hawaii; The Bahamas, Canada, Mexico, Florida, and Arizona. Students also had the opportunity to take such courses as C.P.R., baking, checkbook balancing, typing, photography, CB radio, psychology, and investing in the stock market.

Enrichment week was designed to give students a hands-on experience of learning and provide a chance for students to travel or take courses which would not have the chance to take otherwise.

# Splendor in the Grass

*Splendor in the Grass,* a play about teenage love and growing up on the eve of the Great Depression, was presented by the MVHS Drama Club on December 5 and 6. Jr. **Heidi Phillips** and Sr. **Greg Denton** starred as young lovers Deanie Loomis and Bud Stamper, separated by parental pressure and confused emotions. This production marked a turning point in the life of the theater at MVHS: A special preview, the first in-school performance in several years, was given for the Junior American Literature classes on December 4. Over forty students participated in the production in various capacities both on and off the stage.

# Junior Miss

In the evenings of November 20 and 21, 1981, twenty-one nervous and excited MVHS senior girls displayed their talents in the 1982 Knox County Junior Miss Pageant. Directed by the Knox County Jaycees, the pageant offered numerous opportunities for the girls to win scholarships. Aside from the financial rewards of participating, many girls appreciated the confidence and experience the pageant provided.

Paula Spicer cited that the pageant taught her "How to work well with people and how to have fun when you're working hard."

The seniors spent many evenings dancing, exercising, and rehearshing at the Memorial Building to learn the Poise and Appearance and Youth Fitness routines. The contestants also worked to perfect their talents for the Creative and Performing Arts segment of the pageant. The girls were judged on their scholastic records as well as a judge's interview.

All their practice came together on November 20 and 21, resulting in awards for several MVHS seniors although Michelle Testa of Fredericktown was named 1982 Knox County Junior Miss.

Sloane Marshall, winner of her group's Poise and Appearance award felt that she gained self-confidence from being in Junior Miss. Shelly Craigo, third runnerup, commented, "It was a worthwhile experience because I enjoy performing." Ginny Peterman, Youth Fitness and Spirit award winner added, "Junior Miss was an excellent experience because it gave all the girls a chance to show their abilities."

Other award winners from MVHS included: Loretta DeWitt, Scholastic Achievement; Diann Gorsuch and Jeannine Jannot, Creative and Performing Arts; Kelly Brennan, Poise and Appearance; Kim Lybarger, Poise and Appearance, Spirit award; Kim Godfrey and Grace Lindsay, Youth Fitness; and Sonya Robertson, Spirit award.

# EDITOR'S PAGE

Many, many hours of work went into the 1982 *Forum* as with all yearbooks. However, very few people really know the time and dedication given by the *Forum* staff. Seemingly endless hours after school are spent developing pictures, typing, etc.

The *Forum* staff tried to add some new features to *spice up* the book including more snapshots, coverage of more types of student activities and an index. But the *Forum* staff could not have done this entirely on their own. We would like to thank the *Mt. Vernon News* for providing us with negatives for part of the sports section.

I would especially like to thank Karen Smith for a great deal of hard work on copy, pictures, and anything else I found for her to do. I would also like to thank Ruth Waddell, Pam Sims, Joy Mertz, Kathy Miller, and Corby Frere who were exceptional workers. Also of great help to me were Lori Rardin, Sue Ferguson, Debbie Sunkle, Romena Romero, Laurie Mann, Margaret Hartman, Jeff Rehling, Andy Schaub, Paula Spicer, and my mother. It was all greatly appreciated.

So long. I hope you enjoy the book.
